Uncle Sam Adds Battleships Dakota and Delaware to Fleet

LONDON, Dec. 4.—All Europe is beginning to sit up and take notice of the United States navy. When the great battle ship Delaware began her speed tests there was a whisper abroad that this warrior of the sea was a marvel. When the explosion occurred, it was featured in the great newspapers of England and the continent. Then the nations began to talk about the Dakota, the American Dreadnaught, which has struck terror to the hearts of the British, who conceded the Americans have built better than they. When Admiral Colby M. Chester branded Dr. Cook a fakir, there was another thrill. The combined news events of the past few weeks has set the tongues wagging and interest just now is centered in the navy and the men who are doing things on the sea and on land.

MAT ARTISTS FAIL TO PULL OFF STUNT

(Exclusive Dispatch.)
Douglas, Dec. 4.—Because there wasn't a crowd big enough to make the match pay, the wrestling bout between Charles Stone, of Bisbee, champion of Sweden, and John M. Dolecki, the Big Indian, was called off at the Orpheum theater here tonight. About fifty people had gathered when it came time to start the match. As it took \$100 to hire the theater, there wouldn't be a cent of profit in it, so the managers of the two grapplers decided to call the thing off. The principals were willing enough to get after each other and had their scrapping clothes on, but it was no use.

MORRISON HAS RIGHT OF WAY

(Exclusive Dispatch.)
Washington, Dec. 4.—The term of J. L. B. Alexander as United States district attorney for Arizona expires on Dec. 15. Alexander hopes to be reappointed. The indications are that Joseph E. Morrison of Bisbee, will be reappointed to succeed him.

When Mr. Morrison was apprised of the receipt by the Review of the Washington dispatch given above, he declined to discuss the matter further than to say that it is pleasing to know that his candidacy is receiving consideration.

RAIL WRECK HURTS SIX.

LEWISVILLE, Pa. Dec. 6.—Six were hurt, one fatally, and the station at this point demolished tonight when the St. Louis flyer on the Pennsylvania, running fifty miles an hour, ran into an alleged defective switch. All the injured were mail clerks. No passengers were hurt. The first mail car plunged down a fifteen-foot embankment. The second dashed into the depot.

Cananea News Notes

M. J. Noonan and bride, formerly Miss Sarita Lovenich, returned from some place in Arizona yesterday, where the ceremony, uniting them in the bonds of wedlock, was performed. The laudable efforts they made to keep the marriage a secret were well planned but went astray before the couple returned. The groom is employed in the general office of the Cananea Consolidated and is well known and popular. The bride has been practically raised in Cananea. She has an extensive list of friends to congratulate her and wish her happiness.

Mrs. George Work and Miss Work gave a delightful Japanese entertainment Saturday afternoon. The home of Mrs. Work, where the function was held, was profusely decorated in Japanese suggestions which were unique and much admired. What was played, the prizes being awarded as follows: Mrs. Tabey, first prize, a handsome Japanese bowl; Mrs. Bordwell, second prize, a dragon bowl. The consolation, a dainty cup and saucer, fell to Mrs. Knowles. The party was in the nature of a farewell to Mrs. Work to her many Cananea friends, as she expects to shortly join her husband at Ocampo. The guests were Mesdames Cole, Young, Knowles, Hagy, Hawes, Wiswall, Knowles, Bordwell, Gee, Grenadje, Stuart, Walling, Tobey, Bauer, Evans, Harris and Wilcox; Misses Donnelly, Montford, Reissner, Work, McIntague and Work.

Mr. and Mrs. M. F. Evans have been presented with a son.

Jas. H. Kirk has returned from a trip to Guaymas and vicinity.

P. J. Tehany has sold his home on the mesa to R. K. Clancy. Mrs. Tehany will go to the coast for recuperation, but will join her husband here next year, as he has extensive interests in Cananea and will not leave.

There have been several changes in the Banco Mercantile within the last week, but no definite announcement to the public as to reasons for making them. R. L. O'Neill, the founder of the bank and its cashier, resigned and was succeeded by R. L. Hawes. The entire force followed O'Neill's lead and new men, from the janitor up, have been installed. The general impression is that new directors are in control, and that Justo Creel, the Chihuahua banker who formerly backed O'Neill in the enterprise, has withdrawn. O'Neill's departure will be noted with regret. He was one of the town's most enterprising citizens and had worked from a mediocre position to the place he held, and he accepted a situation in Arizona, and will shortly move his family from Cananea.
